Ghazwan Namo Jablak

Data Scientist
Kingston Upon Thames, England, United Kingdom

Summary

Pro active, result driven and self-motivated data scientist with proven track experience in applying data science, data analysis and data engineering techniques, tools and processes to exploit business data and provide actionable insights to support business decision makings.

Experience

Syngenta
Data Scientist
October 2018 - Present (7 years 7 months)
Bracknell, England, United Kingdom

Pairview Limited
Data Scientist
September 2017 - September 2018 (1 year 1 month)
London, United Kingdom

Expert in data mining of structured, semi – structured and unstructured data, carrying out researches and analysing vast amounts of data to investigate how pattern discovery can be used to optimise learning. Proficient in Data Acquisition, Storage, Analysis, Integration, Predictive Modelling using state of the art tools e.g. Python, SQL, Matlab, Excel, Hadoop.

Tutora
Private Tutor
June 2016 - September 2017 (1 year 4 months)
London, United Kingdom

Teaching Mathematics, Geology and Physics to GCSE and A level Students.

PGS
Quntitative Inrerpretation Geoscientist
July 2011 - June 2016 (5 years)
Weybrdige

Seismic Inversion.

Seismic data conditioning.

AVO attributes analysis.

Statistical Rock physics analysis (Stochastic forward modelling).

ETS

Project Geoscientist

July 2006 - June 2011 (5 years)

Khafji Stringer Sand Characterization using AVA Simultaneous Inversion, Zuluf 296 Area

Khafji Stringer Sand Characterization using AVA Stochastic Simultaneous Inversion, Zuluf; Improving AVA Simultaneous Inversion for Zuluf 296 Stringer Sand by Applying Seismic Noise Reduction

King Fahd University of Petroleum and Minerals

Teaching assistant

November 2003 - December 2005 (2 years 2 months)

Earth sciences department projects execution.

Student Supervising

Lab teaching

KFUPM

1 year 1 month

Geophysicist

July 2004 - July 2005 (1 year 1 month)

Participating in academic and research geophysical surveys.

Assisting in the researches conducted by; Participating in the industry research projects conducted by the ESD and the Petroleum Center of KFUPM Research Institute for Saudi Aramco.

The following are sample projects:

Multiple Elimination Using Blind Source Separation Method: A project executed by the research institute, KFUPM.

Geophysicist

July 2004 - July 2005 (1 year 1 month)

Education

King Fahd University of Petroleum & Minerals

Master, Geophysics · (2003 - 2008)

King Fahd University of petroleum and Minerals (KFUPM)

Master of Science, Geophysics · (2003 - 2008)

Damascus University

Bachelor of Science, Geology and Geophysics · (1998 - 2002)
